

DENILIQVIN COUNCIL

APPLICATION FOR RAINWATER TANK REBATE

Deniliquin Council is matching the Department of Environment and Climate Change (DECC) rainwater tank base rebate to a maximum amount of \$500. Ratepayers within the Deniliquin water reticulation area who pay water rates are eligible to apply for the rebate.

The Schedule of Rebate is as follows:

Tank Capacity	2,000 to 3,999 litres	4,000 to 6,999 litres	7,000 litres and above
Rebate	\$150	\$400	\$500

Terms and conditions are as for the DECC rebate, with the Council rebate available for tanks purchased and installed between 15th November 2007 and 30th June 2010. Any extension beyond June 2010 will be considered by Council in next year's Management Plan.

Applicants need to apply for and obtain the DECC rebate before making application to Council. Information on the DECC rebate is available from Council Offices or from the Council website www.deniliquin.nsw.gov.au

When you have received the DECC rebate complete and return this form to Deniliquin Council, PO Box 270, Deniliquin NSW 2710. The Applicant must be the owner of the property and the same name to whom the DECC rebate was paid. Provide copy of DECC advice confirming amount of rebate, person who received the rebate and address of installation.
